**We Wish You a Merry Christmas!**

*So young and old join hands and celebrate ---. It's Christmas again and God gives us New Light, steps into our world of Mangers and Crowded Inns, of War, Fear and Human Problems ---. God Rest You Merry Gentlefolk, ---. The Lord has come. And children will laugh, and memories will brighten, and hope will glow and hate will subside, and we will celebrate the great possibility that God gives us once again.*
