

Change the life of a child through CFCA sponsorship

BEFORE SPONSORSHIP, WILKISTER was a smart, energetic young girl facing obstacles children living in poverty often encounter. Her mother and father work hard, but their jobs as a day laborer and housekeeper simply don't provide enough income for their family of six. And in developing countries like Kenya, there's no safety net for families in poverty.

Wilkister was sponsored through CFCA's Hope for a Family program in 2008. What may have been very difficult before — even having enough to eat every day — is now possible. Wilkister and her family eat better with extra food made available through sponsorship.

Wilkister is able to attend school regularly because sponsorship helps pay her school fees. It is through education that Wilkister will be given the opportunity to build a path out of poverty. "I would like to be a nurse when I grow up. I would like to help those in pain," Wilkister said.

Hope for a Family sponsorship is enabling Wilkister to hope and dream of a life free from poverty. Sponsor a child today, and give hope to a family. A family like Wilkister's.

About CFCA's Hope for a Family sponsorship

Founded by lay Catholics acting on the Gospel call to serve the poor, CFCA has helped families create a path out of poverty for more than 30 years.

When you sponsor a child, youth or aging friend for \$30 a month, about \$1 a day, it impacts the entire family.

CFCA provides basic necessities such as food, education, clothing and access to medical care — but then the support goes even further. We empower parents through livelihood training, small loans, community support and more. Together, we work to help families build a path out of poverty.

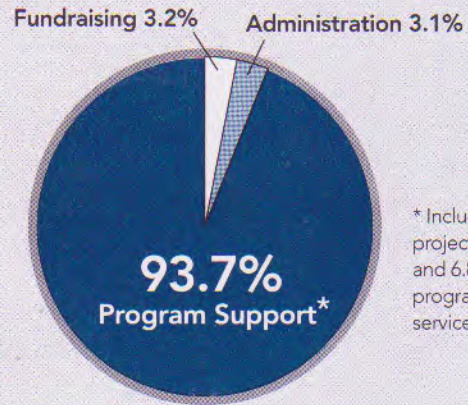

A real relationship

Wilkister is sponsored by Michele and Rob from Florida. Through letters, Wilkister and her sponsors have formed a bond that has impacted all of their lives. Michele and Rob were even able to visit Wilkister on a CFCA mission awareness trip.

As a CFCA sponsor, you will receive at least two letters a year and an annual photo from your friend. We also invite you to write your friend. A real relationship is waiting for you.
