With the children of the Hebrews the Church participates in the triumph of Christ. He enters the holy city, Jerusalem, to pass from this world to his Father.

The passion narratives which are read on this Sunday form, without a doubt, the primitive heart of our gospels. There are many concerns which converge around these simple but dramatic stories. They influence the manner of recounting the passion. In the care taken to show that Christianity had nothing to do with a criminal or rebellious movement, the evangelists highlight both the plot which results in the death of Jesus and the innocence of the Savior crucified for sinners. They also demonstrate to Israel how this death fulfilled the scriptures, accomplished in the central event of the passion and in the details of its unfolding. The historical insertion of the crucifixion into the celebration of the Jewish Passover is decisive for Christians. Jesus replaced the immolation of the paschal lamb with the sacrifice of a new covenant. In addition to these apologetic and theological concerns, the evangelists proposed Jesus as a model of humility, of prayer, of endurance, of suffering. In these virtues which perfected the humanity of Jesus, the Church had much to learn.

The passion narratives are not reduced to a mere recitation of episodes. Marked by the personality of each evangelist, they represent an undivided history in which the assaults of evil, carried to their heights in Jesus' passion, are rendered powerless by God.

CHRISM MASS will be celebrated by Archbishop Sample and the priests of the Archdiocese of Portland on **Monday, April 15th at 7:00 pm** St. Mary's Cathedral. At the Chrism Mass the Holy Oils used in the sacraments are blessed for the following year. All are invited to attend.
